Happy New Year!

Alrighty- we are getting closer and closer to crunch time! We are all set for our Tournament on March 14th. This note will be brief because I am still waiting on confirmations for prices and dates for tournament items and needs.

IC Day News

I am hoping to host an IC day in February. I am having a few delays with reserving the space from facility use but hopeful I will have a date set very soon. This will be first come- first serve for teams to participate.

2020 T-shirts

We have our t-shirt design in and ready! I am still waiting for quotes back from t-shirt companies to try to get the best prices possible for us. I am anticipating that we can make the shirts work for \$10-\$12 per person. These are not mandatory but majority of our teams do purchase them.

Registration

I will be opening registration for tournament by the end of the month. You will be able to register for tournament, purchase t-shirts, and enter team data in when that is opened. I will absolutely help you through this process if you get stuck or have any troubles.

Get your Team Number!

I KNOW I still have teams out there that haven't purchased team numbers yet. You won't be able to register for tournament OR get t-shirts OR participate in IC day if you don't have a team number. Let me know if you are having any trouble getting your team number or need any additional teams.

Thank you all for all you do! I am so excited to get working into this tournament season with you all. Please let me know if you have any questions!
