DI Information Meetings

We have an informational meeting opportunity coming up and I am available for more if you would like me to set something up at your school.

I will be presenting information at Bill Roberts K-8 in the Library on Tuesday, September 24th, at 6pm. I will be there to give a brief overview, answer questions, and help get things started for all who may be interested. Here's the address: 2100 N Akron Way, Denver, CO 80238

Register your teams!

The Sooner... the easier! If you have a team and you

are ready to get rollin- there's no time like the present! Here is the link to purchase your team and get started: **Click Here** I am here to help guide you through every step as needed!

METRO AREA KICKOFF!

This is going to be a wonderful and fun event for all! Please help me get the word out to your schools! You can share this PDF link: **KICKOFF FLYER** or I have a small "blurb" that can go out in any family communications **HERE** scroll to Denver Events. I am also including a **SIGN UP GENIUS** because we need your help! We need teams (former or current) and team managers to help us with this event. We would like managers to be at a table or two to answer questions from adults that are possibly interested in managing a team. We would love to have several teams there to share old solutions and examples of challenge solutions from the past and to answer questions, and we also need help managing food and instant challenges. If you are at all willing to donate a few hours of your time- this would be a wonderful opportunity!

THANK YOU!!!!
