

Hello Team Managers!

Instant Challenge is so excited for the State Tournament, as we get to see every team think on their feet!

To help us stay on time, please follow these guidelines for Instant Challenge:

Please check in 20 minutes before your scheduled arrival time. You will enter via the first floor where you will find arrows and signs to guide you to IC Check-In. No admittance will be given from the 2<sup>nd</sup> floor.

Please make sure only one team manger accompanies the team into the challenge.

**\*\*\*\* PLEASE NOTE \*\*\* If you are the team manager for multiple teams in the same challenge and level, you may only go to your last scheduled IC. If your teams are doing different main challenges, you may go into each IC.**

No timing or electronic devices are allowed in the Instant Challenge rooms; this includes team managers. You can remind teams that they can ask for the time remaining at any time during the challenge.

Chill-Out rooms. After the challenge, you may quietly talk about the challenge with your team. Remind the team to not discuss the challenge with anyone else.

Tentatively Scheduled: Ta Da! While in the Chill Out room, plan a TaDa. Plan a cheer, a dance, or something fun to celebrate your final IC! You will be exiting out by classroom 1110 and there will be a place to showcase your TaDa! This is where your parents and other Team Manager(s) will be waiting for you just outside.

We look forward to seeing you on April 6th!
