

Hello Team Managers!

Here are some important reminders for the State tournament:

- *Only team members and **one** team manager are allowed at IC

- *We expect the Plaza building to be busy, so leave all parents/team support and props elsewhere on campus

- * If you are the team manager for multiple teams, you may only go to your last scheduled IC.

- * No timing or electronic devices are allowed in the Instant Challenge rooms; this includes team managers. You can remind teams that they can ask for the time remaining at any time during the challenge.

- * We don't have Chill-Out rooms. After the challenge, you may find a spot away from other teams to quietly talk about the challenge with your team. Remind the team to not discuss the challenge with anyone else.

We look forward to seeing you on April 5th!

Bonnie, Claire, and Sara
