

Congratulations on making it to GLOBAL FINALS!

Team Photos

The team photos taken during the awards ceremony were taken for you to use to help promote your team. Please send information along with the photo to your hub, local newspapers, your school district, potential donors, fundraising events, etc. Smiling faces of excited kids are your very best advertisement!

The photos will be available by Monday evening at the latest. You can find them at:

DI Colorado Facebook and Instagram

If you have any articles posted about your team's advancement to Global Finals, please send me the link so I can get it on our social media pages (Facebook Page: Colorado Destination Imagination; IG: @idodi_co). This also goes for any fundraising activities you are hosting. I will post them on our social media pages in the order that I receive them or within one week of your event. I will post one fundraising event per day so everyone has equal time. **Please put DICO Globals in your subject line so I don't miss it!**

Again, congratulations on your advancement to the Global Finals! It is an amazing week of creativity and a DI experience you will talk about for years.
